

Dear Family,

It's me again from Guide Dog College. I've learned right and left turns and how to cross the street safely. Soon we will start walking in busier areas with more to watch out for.

It's not all hard work though. I get to play with my friends and chew on my favorite bones.

As I am sure you know, it has been pretty hot around here. These boots protect my feet while I wait at the corner to cross the street. Pretty cool, huh?

I hope you are doing well! Wags & Licks,

ELENA
