

Fina, 6-8 months of age

Fina's first school visit for GDA. She was handled by another puppy raiser. Fina did an excellent job.

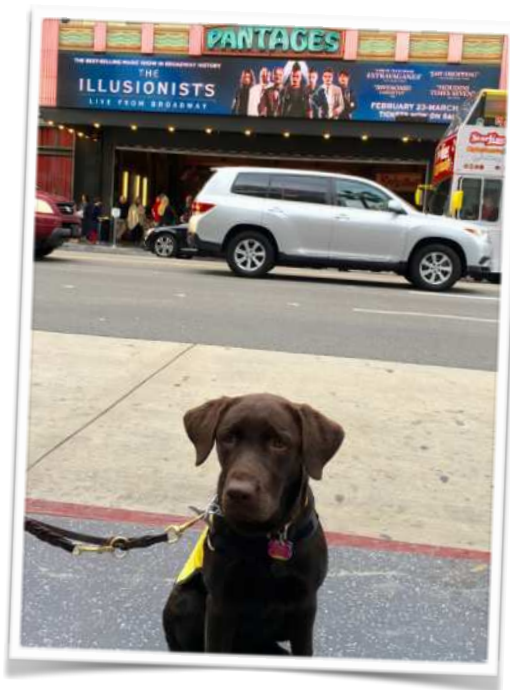

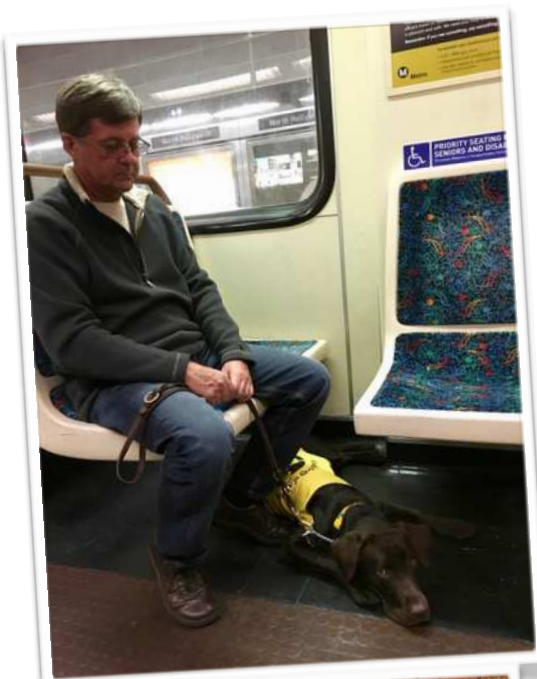

Fina checks out Reggie's other car.

Fina's new GDA friends: Niki, yellow lab, breeder, and Nagheera, German Shepherd, puppy in training.

While we were out of town Gabriela and Tom Park took care of Fina for a week. She experience many new adventures including taking the Metrolink and going to the Pantages Theatre, in Hollywood.

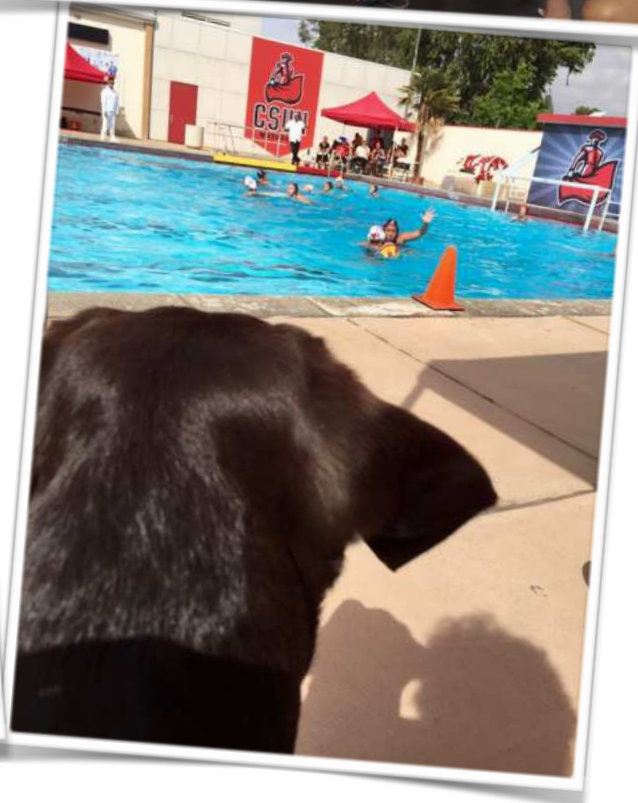

California State University, Northridge...Rocks!!!

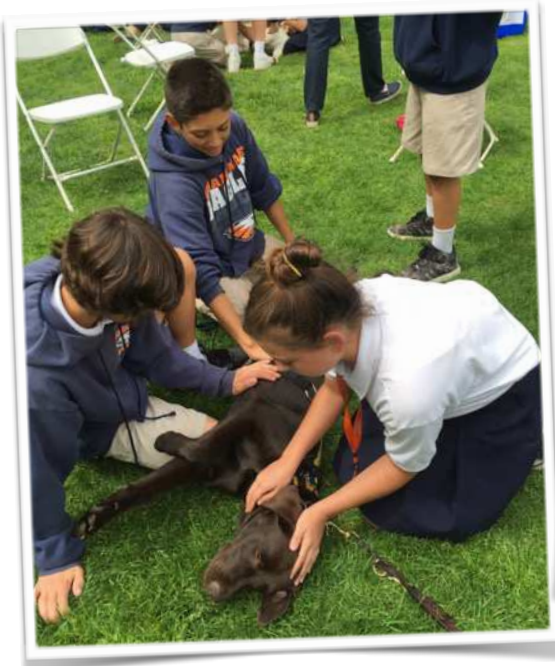

Fina with Matty the Matador

Fina, supporting the CSUN
Women's Water Polo team.

The two games we attended CSUN
won. Go Matadors!!!

(Fina's handler, Judi, played water
polo when she was younger).

Fina's second school visit for GDA, Chaminade College Preparatory school. Chaminade students, staff and faculty are big supporters of GDA.

Fina, was spayed in March. This is just another step in her journey in becoming a guide dog.

As we wait for Judi's car's front window to be fixed, Fina and Judi walked over to the Van Nuys Airport observation area and watch the planes land and take off.

Training at a mall and Microsoft store

Play time with Jenna and Regan, both former GDA puppies in training.

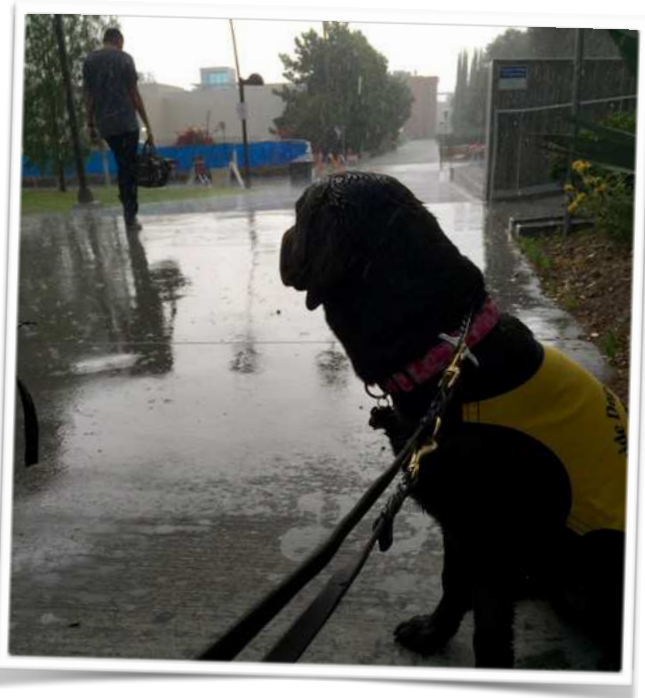

On this display at church the tractor is getting smaller as I am getting bigger.

Judi is still taking an exercise class at the adapted physical activity center. I do get a lot of exposure to wheel chairs, walkers, canes, etc.

We attended a retirement party for two of Judi's friends. On the left is Tom, police officer and K9 handler (not pictured his police/bomb sniffing dog Izzy) and On the right Jim, police dispatcher and a CSUN Geography alumni.

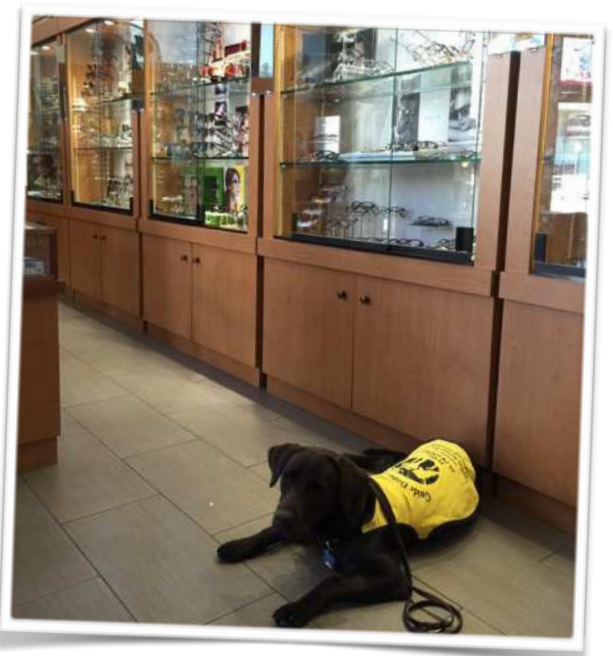

Dude, I know how you feel.
You must love the rain too.

Freak rain storm at 5:30 pm. Had to walk across campus to get to the car.

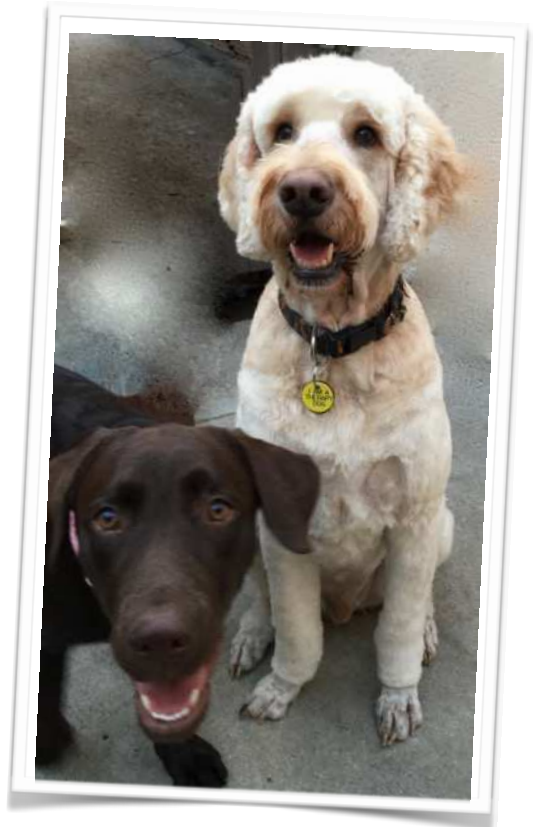

Third GDA event. This time at Fenton Primary Center. I have this GDA presentation duty "down to a science".

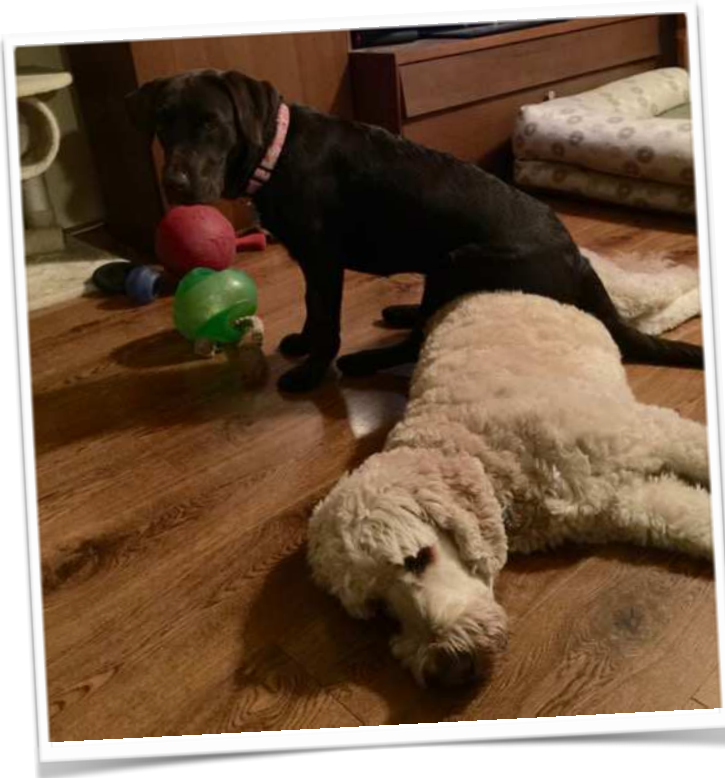

I helped Judi select a new pair of glasses.

Fina and Teddy

Teddy just got groomed. As Judi was taking a picture of Teddy, Fina "photo bomb" the picture.

WHAT?

Until next time, Dark Chocolate Kisses to you.
