## Leaving GDA, and home with raiser

Don and Rita Tayenaka will be raising me till I'm 18 months, then off to College.

*I'm a good listener to my commands*

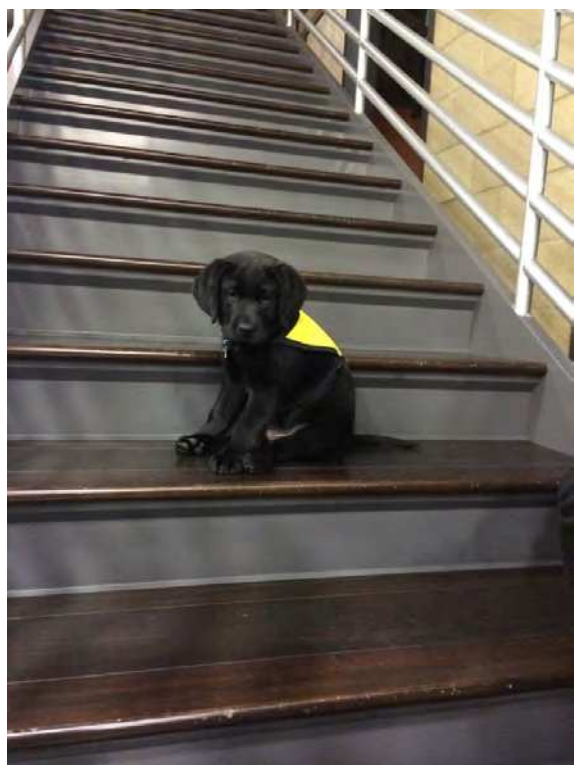

Proud to be sponsored by Sepulveda Building Materials, I will work hard everyday and learn the skill required to be the Best Guide Dog

class

**This is my sister  
Holland**

Puppy kindergarten with one of my brothers and sister. Learning to sit and down, walking on leach, waiting for my feeding, working on kennel, and stairs. We have lots of fun, but it is a lot of work to be a Guide. I know this is only the start, but lets get going. I want to be the best guide I can be.
