

*Dear Family,*

*How are you doing? I have been great and I am having so much fun here at GDA. In the last few weeks I have learned how to walk with this super awesome black and white harness on and I have to say, I look good! I have also been learning how to stop at curbs, make left & right turns and move my instructor out of the way of obstacles. My instructor is always cheering me on when we are out in town and I love hearing what a good girl I am. I am also working on my loose leash walking. I just get so excited to go outside and work that I just want to go as fast as I can. I know I am not supposed to do that but sometimes I just can't help myself. My instructor said I have improved a ton since I have been here and she is so proud of how far I have come. My instructor also keeps talking about this "head tilt" that I do. I don't know what that means but she says it is the best head tilt she has ever seen. Oh, and my roommate is super cute and we loving sharing bones when we are not working!*

*Miss you guys, but I am loving it here!!*

*Wags & kisses*

*Jenny*
